

PHOTO CONTEST

2026 UPPER DELAWARE SCENIC BYWAY

CONTEST RULES AND GUIDELINES

By submitting a photo for consideration, you warrant and represent that the photo you submit is your own original work, that you alone own copyright to the Submission, and that no other party has any right, title, claim or interest in the Submission. You attest that the Submission was taken in the designated Byway Boundary described in the contest rules.

Contest Winners grant to the Upper Delaware Scenic Byway a royalty-free, perpetual license to display, distribute and reproduce the Submission, in whole or in part, for editorial purposes without further review or participation from you. In the event recognizable people appear in the Submission, you warrant that you have permission from the model or models, authorizing publication of the Submission. If you are selected as a finalist, you also grant the Upper Delaware Scenic Byway the right to use your name when announcing contest winners.

All Submitted Photos may be used in print publication, video, email, digital or print advertisement or on our website to further promote the Upper Delaware Scenic Byway Photo Contest.

The Judging Panel is composed of representatives of the Upper Delaware Scenic Byway. By entering this contest, entrants agree that the judge's decisions are final and indisputable. In an attempt to remain impartial and anonymous, entries should not be "tagged" or watermarked.

All photos must be original, single works created by the entrant and not infringe on the copyrights, trademarks, moral rights, and rights of privacy/publicity or intellectual property of any person or entity. All submitted entries must be original work(s) created by the entrant and taken within the past year of entry. Please provide only the original, unmodified camera image. Submit photos at the highest resolution possible. Contestants may submit up to three photos using the contest submission form at www.udsb.net/photocontest.

Photos that are obscene, defamatory, or otherwise objectionable or inappropriate will not be accepted. Photographs of activities expressly forbidden as inappropriate or dangerous will be rendered ineligible.

Photos must be taken within the designated Byway Boundary. This exact boundary is defined in this [BOUNDARY MAP](#).
